Certified Oncology Social Worker-Emeritus (OSW-CE) is a designation of distinction bestowed upon a permanently retired OSW-C certificant who has consistently contributed to the Mission of the Board of Oncology Social Work and met the criteria of/maintained OSW-C certification.

Eligibility:

Emeritus status is one of distinction and is not to be given automatically. It must be conferred by the BOSWC. To be eligible for OSW-CE status, the following requirements must be met:

1. The applicant must be permanently retired and provide documentation of retirement date.
2. The individual must request OSW-CE designation from the BOSWC within 6 months of retirement and/or at the end of the current certification period.
3. The applicant must have possessed at least ten (10) years of continuous OSW-C certification within the last 15 years prior to retirement. This will be confirmed by the BOSWC.
4. The applicant must submit a one-time fee of one half (1/2) the current association member discounted certification fee (\$75 as of January 1, 2023).
5. Emeritus status grants use of the "OSW-CE" mark to distinguish it from those who are currently employed and hold active oncology social work certification as an "OSW-C."

Application Affirmations:

Please initial each line and attach any required documents:

_____ I have retired from oncology social work with no plans to return to active employment as such. I understand that a return to active employment as an oncology social worker would require that I forfeit my OSW-CE and that I would be required to reapply as an initial candidate to regain the OSW-C certification. I have attached documentation from Human Resources or my former director/supervisor to verify my retirement and retirement date.

_____ The OSW-C Emeritus (OSW-CE) designation must be requested within six (6) months of retirement and/or at the end of the current certification period.

_____ I have at least ten (10) years of OSW-C certification within the last fifteen (15) years prior to my retirement. This will be confirmed by the BOSWC.

_____ I have had no legal or ethical complaints, lawsuits, or concerns that have impacted my oncology social work practice in the last five (5) years or currently pending.

Payment: \$75.00 one-time fee payable by check or money order to BOSWC to be mailed with application and accompanying documentation.
