

# 2023 APOSW Conference Program OSW-C Competencies and CE Summary Listing

Board of Oncology  
Social Work  
Certification

APOSW has designated the CE available for each session. BOSWC has designated the OSW-C Competencies for use with Initial and Renewal application. Some programs may have more than one Competency Domain listed. In those cases, the CE may be used in all of one or the other or split between them as desired. However, CE may not be claimed more than once.
